Re: William Dick - West Caln Township,
Chester County, Pennsylvania

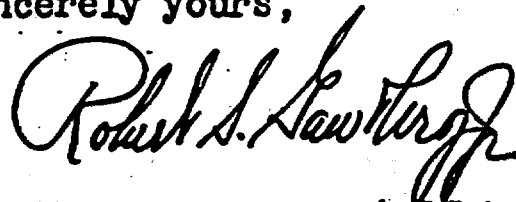

Dear Mr. Lazarchik:

I know that you are fully aware of the situation that prevails in the above case and that in conjunction with Chemical Leaman Tank Lines, Inc., we are making an effort to conclude the equity matter now pending in the Commonwealth Court. I believe that all parties are substantially in agreement, particularly since this operation is being phased out.

I enclose herewith a pair of drawings showing the location of the lagoons on the Dick property and the freeboard and water level of the lagoons. I hope that this will serve as an appropriate application, particularly in view of the fact that the impounded liquid soon will be withdrawn and disposed of.

Thank you very much.

Sincerely yours,

RSQjr:des
